- What To Do After Meeting Monetization Criteria

Creator Monetization

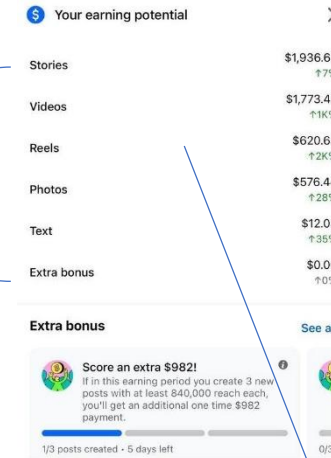

This is **monthly income** from followers.

- People pay every month to follow you
- You give them **exclusive content**
- Example: special videos, private posts

👉 Think: *"VIP followers pay monthly"*

\$4,919.14
Approximate earnings
↑103% from previous 28 days

This is money from your **fans**.

- People send you **Stars** during live or videos
- Each star = small amount of money
- It's like a **tip or donation**

Think: *"Fans support me directly"*

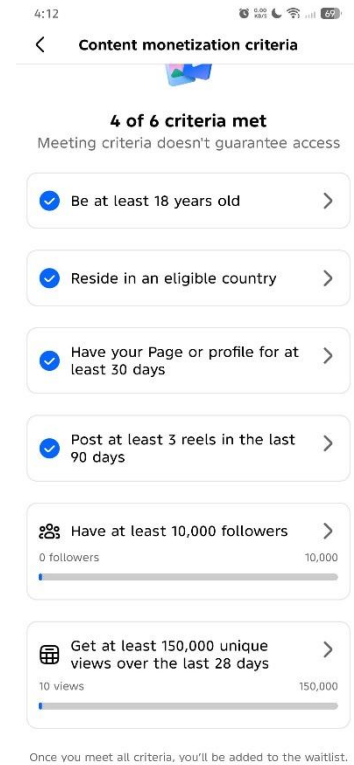

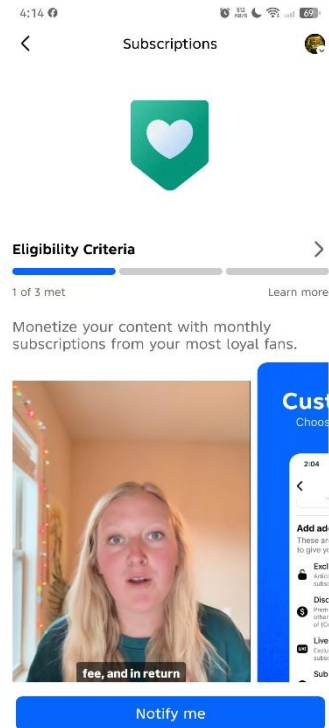

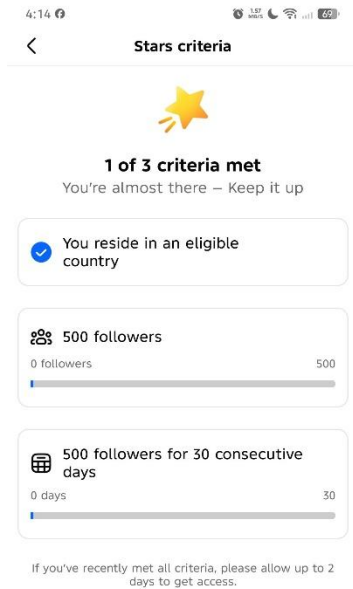

This is where you earn money from your **content views**.

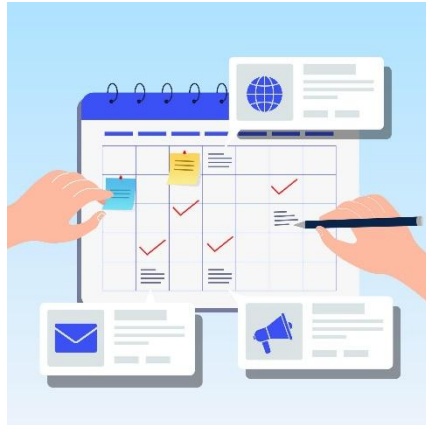

- You get paid when people watch your videos
- More views = more money
- This is your **main income** from content

👉 Think of it like: *"My videos = my money"*

Consistency & Posting Strategy

Post regularly. Don't post today then disappear for a week.
Even simple content works if you stay consistent.
The more you post, the more chances you have to grow.

Audience Targeting (niche matters)

Focus on one topic only.
Example: health, fitness, or business.
If you post random content, people won't follow you.
Clear niche = clear audience.
